

Enterprise & Custom Pricing Sheet

Effective: June 2026

PLAN	LICENSE PRICE	PARALLEL STREAMS	INCLUDES
Basic	\$490	1 (sequential)	All migration modes, real-time monitoring, integrity check
Pro	\$1,990	Up to 4	Everything in Basic + scheduling, reports, precise (MD5) verification
Enterprise	\$9,990	Up to 16	Everything in Pro + file split migration, storage analysis

Licensing terms: One-time purchase, perpetual license. 1 license = 1 server installation. Additional server instances are available at **50% discount** off the base license price.

Custom / Multi-server Enterprise deployments: For TB-scale environments requiring multiple concurrent server instances (e.g. distributed migration across data centers), custom quotes are available. Please contact us with your environment details (number of servers, data volume, network topology) for a tailored quote.

ADD-ON	PRICE
Additional server instance	50% off base license
